Heidi Herzberg
Deltona City Commission District 3
556 Nardello Drive
Deltona, FL 32725

Dear Heidi Herzberg,

The members of *Deltona Professional Firefighters* share an allegiance to community service which goes far beyond saving lives and protecting property -- we often take positions on challenging issues, and endorse or oppose political candidates, conscious that the decisions of today, are shaping tomorrow.

The Deltona Firefighters believe your understanding of city issues, personal integrity, commitment to public safety, and charitable contributions closely matches our own principles. Lastly, your commitment to community involvement and record of public service demonstrates the reassurance, tenacity, and temperament required to be effective in public office.

Therefore, it is with great pleasure and conviction, the *Deltona Professional Firefighters* endorses your candidacy for District 3 representative. We anticipate a tremendous success this election -- confident the balance of our residents also recognize your qualifications, and appreciate your service.

You have our complete and express authorization to reproduce or publicly convey this endorsement in any means of your choosing. Once again, good luck. If we firefighters can be of any assistance, please call.

Sincerely,

Kurt Vroman, President
Deltona Professional Firefighters, IAFF Local 2913

“FIRE FIGHTERS” A BROTHERHOOD OF EXCELLENCE
