

Deltona, FL – Deltona Mayor Dennis Mulder proudly endorses and will work hard to help elect Deltona’s next City Commissioner from District 3, Heidi Herzberg

Heidi Herzberg has always been defined by her service to the public. Heidi has always stood tall for the interests of Deltona while working as a volunteer on advisory boards as well as nonprofits that support Deltona youth in the city. I believe she will stand on her principals and will not be afraid to take on special interests that put their needs above those of citizens. Anyone who has ever worked with Heidi on any level knows she has always been a woman of her word and has been successful in all of her efforts because of her commitment to service. Her voice, energy and passion for helping average citizens are most needed on our City right now. That's why I'm wholeheartedly endorsing Heidi Herzberg for City Commission, District 3 in Deltona.
