

Mike Carmolingo endorses Heidi Herzberg for the position of Deltona City Commission District 3.

Ms. Herzberg's character and work ethic are beyond reproach. She served on the City Scholarship Committee since its inception. Her unbiased selection has helped the young residents of Deltona and has allowed them to further their education.

Another asset Ms. Herzberg has is her compassion and care for abandoned pets (cats + dogs). Her undo care has rescued countless pets.

Ms. Herzberg has attended commission meetings and has had a positive influence with her comments. Due to the above mentioned assets and attendance and input at the commission meetings, she is well prepared for the position of City Commissioner.

There is no doubt in my mind that Ms. Herzberg deserves your vote and should be elected.
