Dear Deltona Voter:

As the current District 3 City Commissioner, I am excited to announce my endorsement for Heidi Herzberg for Deltona City Commission, District 3.

Heidi is not part of any slate of commission candidates. She is not part of any "dream team" of commission candidates. I am confident that Heidi will continue the tradition of the District 3 Commissioner being an independent voice on the Deltona City Commission.

Please consider voting for Heidi Herzberg for Deltona City Commission, District #3. Support an independent voice on the City Commission.

Michele McFall-Conte

Vice-Mayor, Deltona City Commissioner, District #3
