

Support for Heidi

I am very pleased to be supporting Heidi Herzberg for Deltona City Commission District 3. I have watched Heidi give of her time unselfishly to work on the Scholarship Board for the City of Deltona. I also had the pleasure of working with her during the Deltona Visions sessions. I was very impressed with her independent thinking and broadminded ideas for our City. She displayed the type of person I would like to see representing our City, one with integrity, willing to compromise, independent, and professional in both appearance and mannerisms. To me the only candidate to elect for District 3 City Commission is Heidi Herzberg.
