

Dear Heidi,

It is my pleasure to write this letter of support for your candidacy for the Deltona City Commission!

Deltona needs a strong, independent leader like you who understands the needs of our city and the residents who live here. Deltona needs a leader like you who has participated in the community and has served in leadership roles.

Deltona needs leaders who know that we need to do more with less; that we have an obligation to protect our most vulnerable; that we must rebuild our aging infrastructure and that we must do this while rebuilding our trust in each other.

Deltona needs your leadership, Heidi! Your commitment to restoring confidence in our government and your pledge to work with others on behalf of our city is an important step in rebuilding our community, our beloved city of Deltona.

I know you will serve well and I look forward to working with you in making the City of Deltona, not just a place to put our head on a pillow at night, but a place that we can truly be proud to call our home.

Good luck! I know you will make a fine Commissioner for your District and for the City.

Sincerely,

*Pat Northey*
